About us

Transparent Freight Services (TFS) started its journey in the year 2013, headquartered in Trade City Dubai - UAE, having branch offices in Karachi-Pakistan and Doha-Qatar provides us a cutting-edge over competition.

We are committed to provide an uncompromising service offering “ONE WINDOW SOLUTION” to our valued customer for all their logistic needs.

We are capable enough to handle all types of cargo no matter how small or huge regardless to their weight and dimensions.

Our professional team members are always ready to take any challenge and manage your shipments in a more professional and customize manner.

Our strategic alliance with world renowned shipping and air lines along with group networks allow us to be competitive and manage shipments smoothly even on peak seasons to meet customer's required deadlines.

We appreciate your business and looking forward to serve you in near future.
