WHO WE ARE

We stand at the forefront of logistics solutions, headquartered in Dubai, UAE, and are dedicated to seamlessly connecting businesses to global markets. With an expansive network, cutting-edge technology, and an unwavering commitment to excellence, we specialize in delivering reliable, cost-effective, and tailored logistics services. Our expertise spans air and sea freight, land transportation, warehousing, and beyond. As your trusted partner for end-to-end supply chain solutions, we empower businesses by ensuring the swift, secure, and efficient movement of goods worldwide. Our mission is to facilitate your success in today's dynamic global marketplace, offering precision and reliability regardless of the size or complexity of your business. At Trio Logistics, we are committed to meeting your unique global logistics requirements with a focus on excellence.

MISSION ⁷

At Trio Logistics, our mission is to seamlessly connect global businesses by providing innovative and reliable freight forwarding solutions. We are dedicated to optimizing supply chain efficiency, fostering international trade, and delivering unparalleled value to our clients. Through our commitment to excellence, technological advancements, and a customer-centric approach, we aim to be the preferred partner for businesses navigating the complexities of international logistics. Our mission is to empower our clients, enhance global commerce, and build lasting relationships, setting new standards in the freight forwarding industry.

VISION ⁷

At Trio Logistics, our vision is to be the forefront innovator in freight forwarding. We aspire to simplify global logistics through cutting-edge technology, unmatched efficiency, and a commitment to customer-centric solutions. Our vision is to set new industry standards, delivering seamless, sustainable, and exceptional experiences that propel our clients' success in the global marketplace.

SERVICES OFFERED BY TRIO LOGISTICS

AIR CARGO SOLUTIONS

Experience a diverse range of air freight services tailored to your specific needs, including Consolidation, Charter, Scheduled, Day Definite, and Back-to-Back options. No matter your priorities or global destination, we are adept at swiftly identifying the optimal solution for your air cargo requirements.

SEA FREIGHT

Collaborating with major global shipping companies and specialized service providers, we deliver a cost-effective and dependable sea cargo solution. Leveraging our expertise, we identify optimal routes and ensure swift transit times. Our commitment extends to the secure and efficient transport of shipments, ranging from individual pallets to full container loads (FCL). Regardless of your cargo size, we can source a variety of container types, including 20ft, 40ft, High Cube, Flats, and Open Tops.

LAND TRANSPORTATION

Land transportation plays a pivotal role in the logistics supply chain, representing a significant share in terms of frequency of use. It stands out as the preferred mode for local businesses and the daily supply of goods globally. Our operations seamlessly handle both Full Truck and Less than Truck loads, ensuring regular and efficient transport to GCC destinations. Additionally, we offer trans-shipment services via land, further enhancing the connectivity and accessibility of our logistics solutions.

SPECIALIZED CARGO SOLUTIONS

Our expertise extends to Project Cargo, encompassing freight that is oversized, heavy-lift, or hazardous. We thrive on taking on the most challenging, intricate, and remote projects in the industry. Embracing the difficulty, we find joy in applying creativity and intelligence to tackle complex logistics problems associated with specialized project cargo.

WAREHOUSE MANAGEMENT

We ensure secure storage facilities across key destinations in the UAE, offering one of the safest environments for your goods.

Our warehouses prioritize security and hygiene, backed by electronic theft and fire alarms, complemented by round-the-clock security personnel. We uphold rigorous hygiene standards, with certifications guaranteeing continuous checks by specialized companies. Your goods remain protected for the duration you require.

OUR WAREHOUSING SERVICES ENCOMPASS
