Business & Services

Universal Hi-Tech Equipments offers a wide array of products including welding, cutting, and heating equipments, along with automation solutions. These products are designed to meet the stringent requirements of various industrial applications. Universal Hi-Tech Equipments excels in manufacturing and sales and offers rental services and customization to meet specific client requirements.

Welding & Cutting Equipments

- ARC / SMAW
- TIG / GTAW
- MIG / GMAW
- SAW
- Plasma Cutting
- Cladding Machine
- Stud Welding
- Heating Oven
- Welding Accessories

Welding Automation

- Column and Boom Manipulator
- Conventional Welding Rotator
- Self Centring Lead Screw Rotator
- Self Alignment Rotator
- Welding Positioner
- Welding Turn Tables
- Pipe Fitting Rotators
- Pipe Stands

Heating Solutions

- PWHT & Power Distribution
- Induction Heating
- Oil & Gas, Electrical Furnace Equipment
- Fix & Modular Heating Furnace
- Accessories & Consumables
