WELTEC FZE is located in the Jebel Ali Free Trade Zone and is specialised in the field of **Import, Export and Distribution of Welding consumables, Welding Machines and welding relates accessories** in the UAE and the GCC. Our products are of high quality and from reputed companies around the world, we always maintain plentiful stock of products in the free zone as well as in our facilities in Sharjah, Dubai and Abu Dhabi for prompt delivery.

PRODUCT LIST

ALLOY RODS - U.S.A

- A. Atom arc low hydrogen electrode
- B. Mild steel electrode
- C. High tensile electrodes
- D. Arcaloy stainless steel
- E. Copper nickel electrodes
- F. Nickel Arc - cast iron electrode
- G. Dual shield flux cored wires
- H. Coreshield flux cores wires
- I. Wear arc hard surfacing
- J. Mig / Tig solid wire
- K. Stainless cladding strips & flux

ALCOTEC - U.S.A

- A. Aluminium Mig/Tig wires

OMNI-ARC - U.S.A

- A. Aluminium welding electrodes

KISWEL-KOREA/MALAYSIA

- A. Low hydrogen welding electrodes
- B. Mild steel welding electrodes
- C. Stainless steel welding electrodes
- D. Cast iron electrodes
- E. Flux cored wire
- F. Mig/Tig solid wire

SPECIAL METALS - U.S.A

- A. Nickel alloy filler metal & electrodes
- B. Flux cored wires
- C. Weld strips

ARCOS - U.S.A

- A. Nickel alloy filler metal & electrodes
- B. Flux cored wires
- C. Weld strips

2M-KABLO SANAYI A.S - TURKEY

- A. Welding cable (Double insulated premium quality)

SIAT-ITALY (PITTARC)

- A. Mig welding wire
- B. Submerged arc welding wire & flux

HILCO-HOLLAND

- A. Brazing material & fluxes
- B. Aluminium welding electrodes
- C. Hard facing electrodes
- D. Gouging carbon
- E. Anti spatter spray

FLEXOVIT - HOLLAND

- A. Cutting & grinding disc

PHOENIX INTERNATIONAL - U.S.A

- A. Drying ovens
- B. Flux ovens
- C. Stabilising oven
- D. Dry wires

NORTHWELD S.r.l - ITALY

Welding Equipment - Brand name : **MAXWELD**

- A. Transformer, Rectifiers
- B. MIG/MAG, TIG/MMA inverters
- C. Battery chargers
- D. Plasma cutting machines

SACIT S.r.l - ITALY

Welding & Safety Accessories

- A. Welding helmets, hand shield
- B. Electrode holders, Earth clamps
- C. Cable connectors
- D. Welding goggles, Safety goggles

WELDOTHERM® GmbH - GERMANY

Heating Systems

- A. Heat treatment units
- B. Heating elements
- C. Control & Measuring devices
- D. Consumables
- E. Furnaces

CARL CLOOS SCHWEISSTECHNIK GmbH - GERMANY

Automation systems

- A. Mig/Tig welding machines
- B. Plasma cutting machines
- C. Special purpose welding technology
- D. TANDEM welding technology
- E. Laser hybrid welding technology
- F. Turnkey robot systems

OTTOARC Orbital Welding System - U.S.A

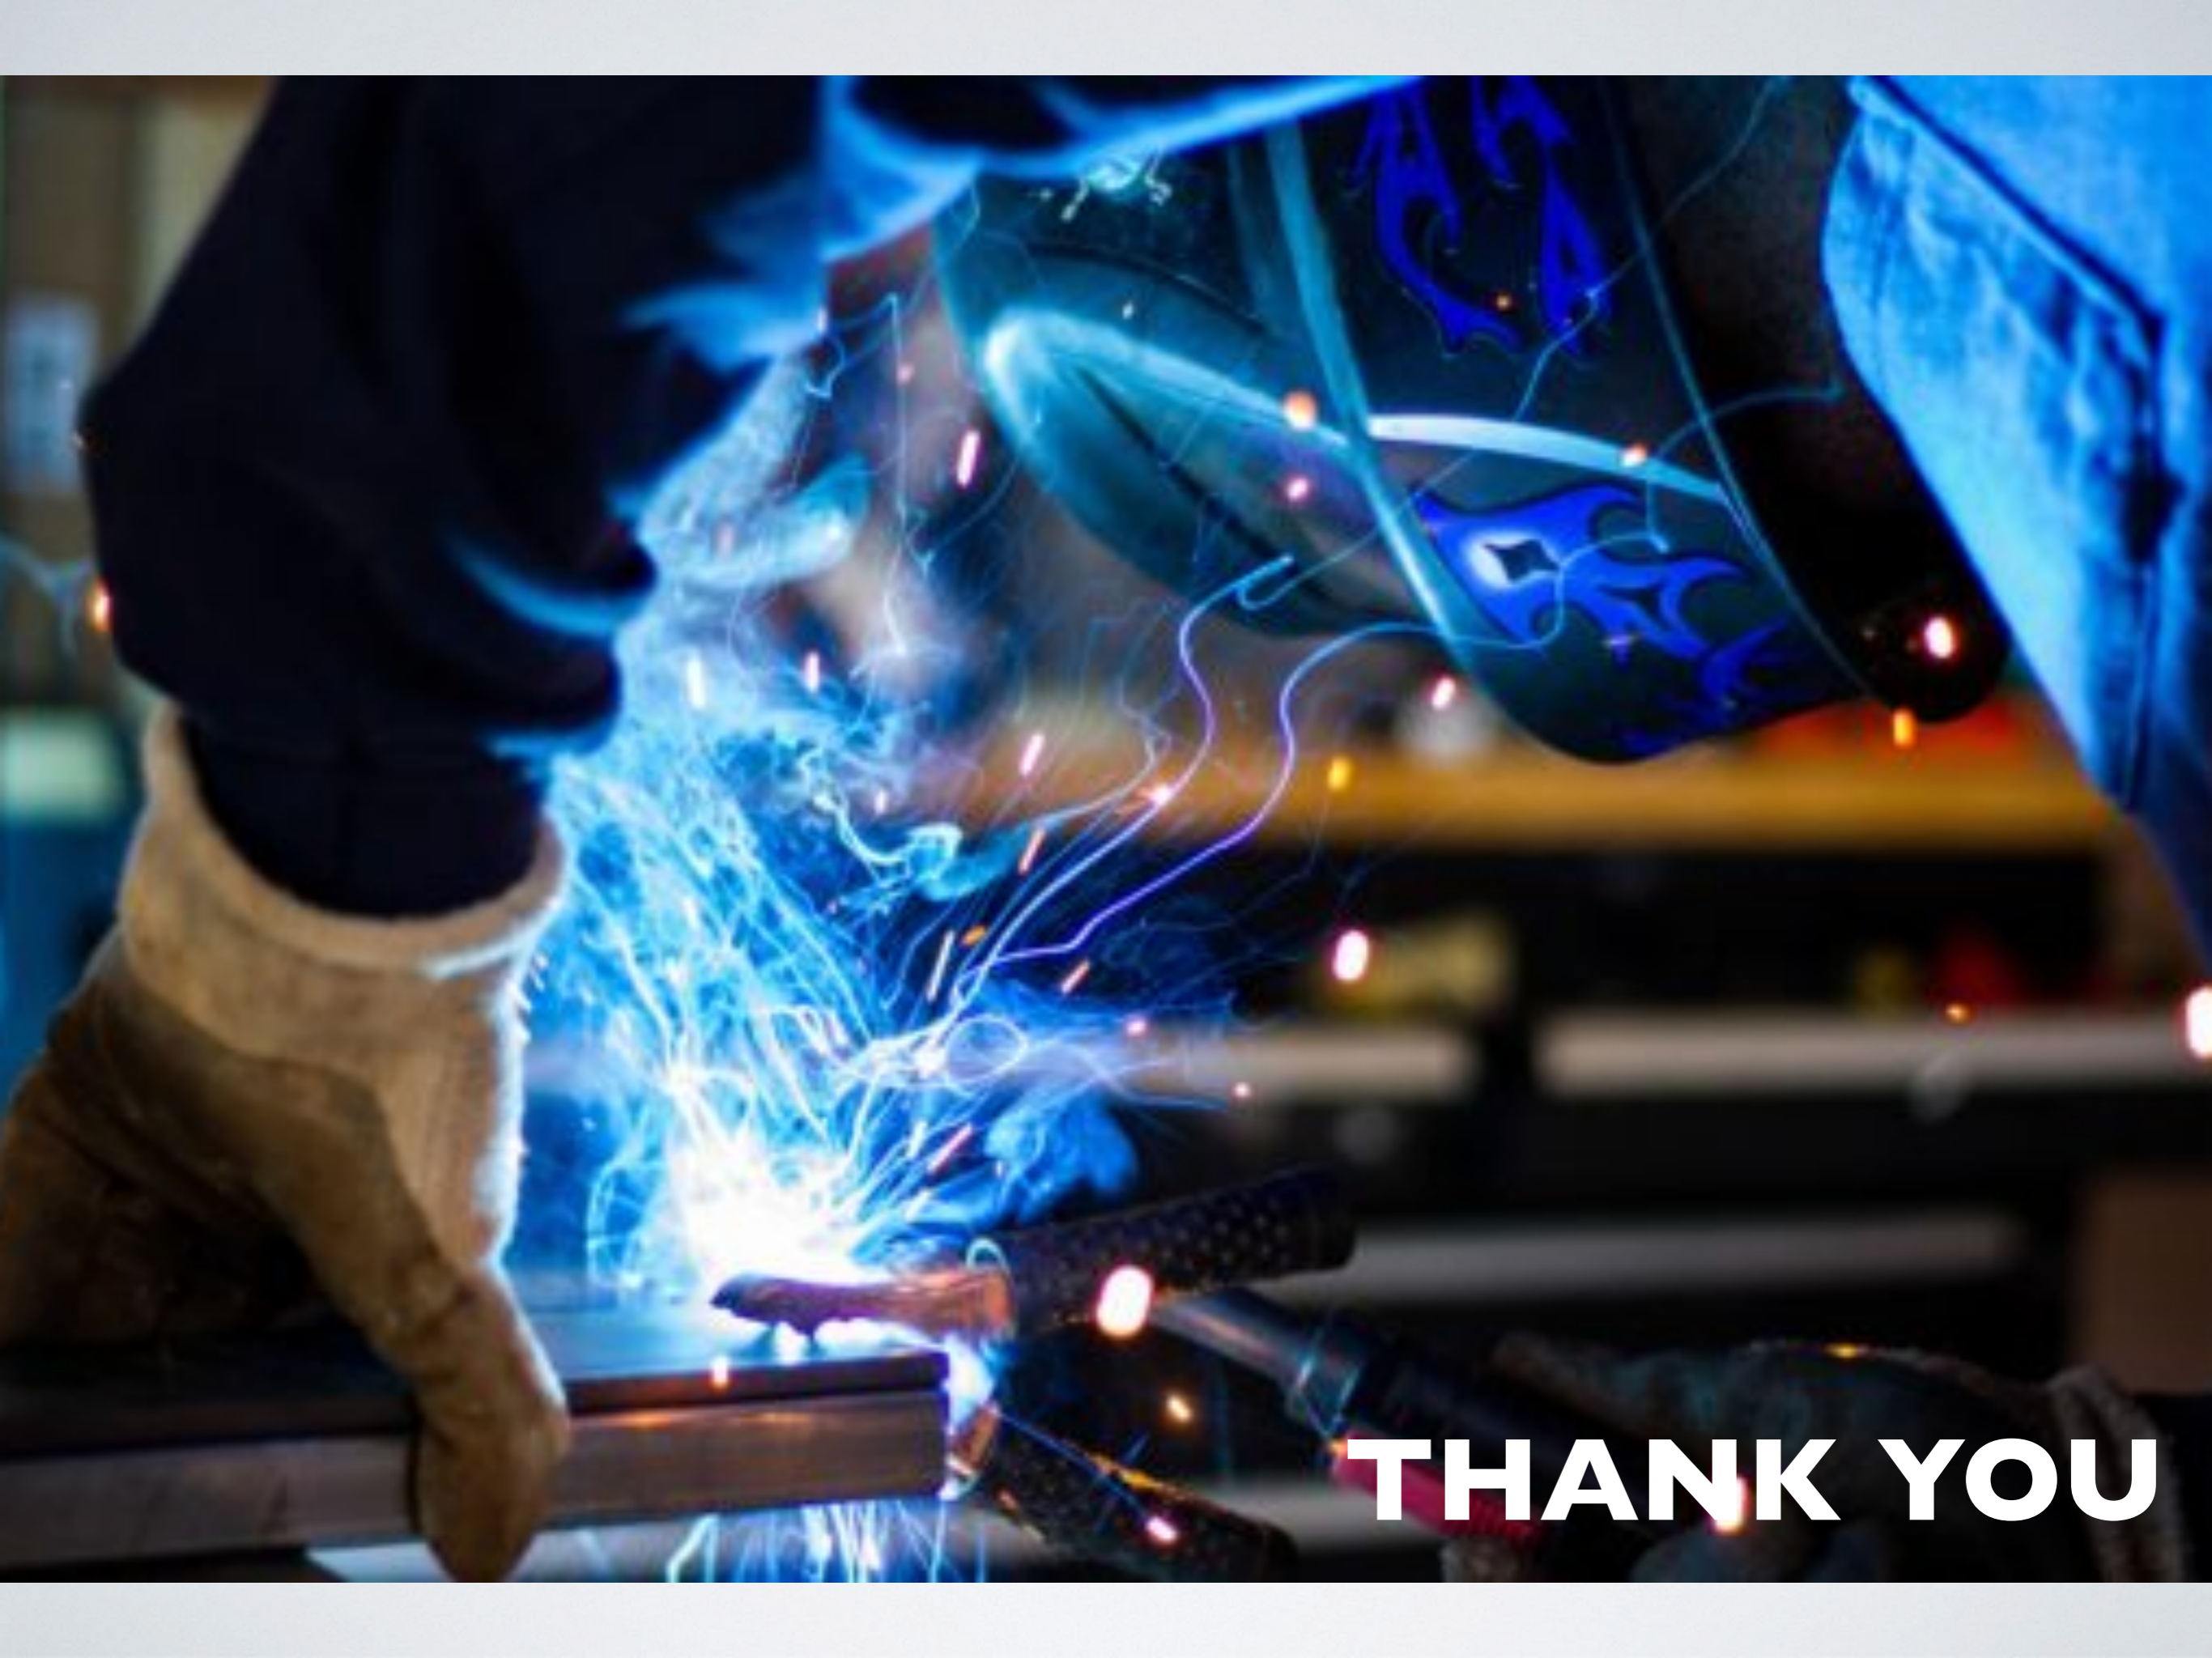

For precision Welding of pipe to pipe joints

- A. Orbital welding power sources
- B. Enclosed and open arc welding heads
- C. Tube sheet welding heads
- D. Special welding systems
- E. Accessories for orbital welding

JASIC TECHNOLOGIES - CHINA

Welding Equipment

- A. MMA Machine
- B. Mig/Tig welding machines
- C. Plasma cutting machines
- D. SAW welding machine
