Who we are ?

- ③ *Wheel sun tire trading, is a specialized center for all modern vehicle requirements and auto accessories*
- ③ *We have more than four decades of dedicated services in the UAE region*
- ③ *In the region. Our services reach beyond mere vehicular support, and using all genuine parts with well recognized products*

Our vision

- ③ *To be a leader in the tire and accessories distribution business through high quality brands and excellent sales & service.*

Mission

- ③ *The mission of Wheel Sun tire trading is to provide its customers with the best quality tires and services for improving the quality and safety of their vehicles. Our mission is to maintain a perfect blend of customer relations with the finest quality of tires supply and services.*

Variety of Brands at Best Prices in Market

- ③ *Wheel Sun tire trading offers outstanding tire sales and services. We make sure the prices we offer are competitive. In order to have competitive prices, we keep a check on prices daily. We change our prices regularly to remain competitive. For decreasing the cost, we utilize the internet for marketing our products. We purchase tires directly from the manufacturer's legal agents. This helps us in reducing the cost as there will be no middlemen involved. The costs saved helps us in maintaining competitive prices for our customers.*
- ③ *Moreover, our prices don't have any hidden charges. You will not have to pay at the installer unless you select an extra service. Every tire is assessed individually, and it includes the following costs of tires:*

1. Installation
2. Balancing
3. Alignment
4. New Valve

The future Of Wheel Sun Tyre Trading

- ③ *We have the plan of being one the leading tyre trading companies in the UAE, Hence, our future branches will be distributed all over the UAE.*
- ③ *We are partners with all major tyres companies, and we always ensure to have a customer centric approach to guarantee a happy experience every time you visit us*
- ③ *We have a combined experience of 40 years in the United Arab Emirates, which allow us to entertain all market requirements and needs*
