Company Profile

UAE | LEBANON | QATAR

Introduction

Dear Sir / Madame,

It is my sincere pleasure to take this opportunity to introduce you to **Creation Kitchen Equipment** which was established in the UAE during 1995 following 13 years of operations and experience in Lebanon.

Creation Kitchen Equipment is a business enterprise specializing in the production and marketing of commercial food service equipment, refrigeration, laundry equipment and cold rooms.

We undertake various projects and generally cater to the equipment needs of the food industry. The types of industries and business served include the catering & hotel industries, restaurants, cafeterias, hospitals, labour camps & canteens, sea vessels (shipping co.), food manufacturing and processing industries as well as food stores, bakeries and pastry shops.

The main advantage of doing business with Creation Kitchen Equipment is the benefits gained by our clients from our dedicated Aftersales Service Team which will urgently attend to all customer service needs and maintenance calls on a 12-hour basis throughout the year. We also accept maintenance contracts and are always ready to attend to one-off breakdown calls to meet any of your emergency needs.

I invite you to consider Creation Kitchen Equipment for your ongoing and upcoming projects and if required, we will be more than happy to fully assist you in providing our service starting from the project's design stages.

I look forward to doing business with you as you can rest assured that our experience and qualifications will exceed your expectations and requirements.

Sincerely,

Imad Yazbeck
General Manager

About us

Creation Kitchen Equipment is a family run business enterprise which was originally established in its first form in Lebanon in 1982 under the name “Creation Technical Equipment”. It is founded based on family principles and values of integrity, trust, commitment and dedication, collaboration and ambition.

Since its inception, the company has continuously adapted and advanced. In 1995, after a decade following its establishment, the company opened its doors for business in the UAE. Over the years, we are proud to say that our simple business has dramatically transformed into today’s enterprise with multiple locations in Lebanon, UAE and Qatar.

Over the coming years, **Creation Kitchen Equipment** is committed to continue its growth and expansion while assuming the lead in delivering world class quality products and services and focusing on exceeding its customers’ needs and expectations.

Vision, Mission and Values

At **Creation Kitchen Equipment**, everything we do is driven by the desire to realize our vision of being the leading local and international kitchen equipment supplier and distributor of choice. Read about how we are going about accomplishing this goal and the values that drive us.

Our Vision

To be the leading local and international kitchen equipment supplier and distributor of choice.

Our Mission

We will achieve our vision by:

- Understanding and focusing on our customers, their needs and requirements;
- Delivering world class quality products and services in line with local and international standards;
- Exceeding our clients' expectations;
- Embracing a culture of quality and excellence;
- Competing competitively within the local and international markets;
- Growing our business regionally and beyond.

Our Values

- Integrity and Honesty
- Trust;
- Commitment and Dedication;
- Collaboration;
- Ambition.

Our Services

Our company supplies a large variety of bestselling high quality products that are produced both locally and abroad as well as provides after sales maintenance services spanning the entire UAE and other markets.
