Our Business Divisions Explained

New Excellent Building Material Trading LLC operates through three distinct divisions, providing tailored solutions to meet various market demands while ensuring quality and reliability.

New Excellent
Leading Dubai retail outlet for premium building materials backed by service, stock, and trust.

Buildzo
Buildzo is a one-stop online platform for all building materials across the UAE.

Nexfix
Premium Sealants & Adhesives Engineered for Absolute Reliability.

WHY NEW EXCELLENT BMT

- Complete Building Material Range Under One Roof.

From basics to premium finishes, we stock all essential construction materials.

- Fast & Reliable Service

Quick delivery and assured product availability for urgent project needs.

- Trusted Retail Chain in the UAE

Serving contractors, resellers, and home builders with consistent quality.

- Competitive & Transparent Pricing:

Fair pricing backed by strong supplier relationships.

- Quality You Can Trust

Each product is sourced from certified manufacturers, ensuring durability and performance.

- Customer-First Approach

Knowledgeable staff, smooth buying experience, and professional support.

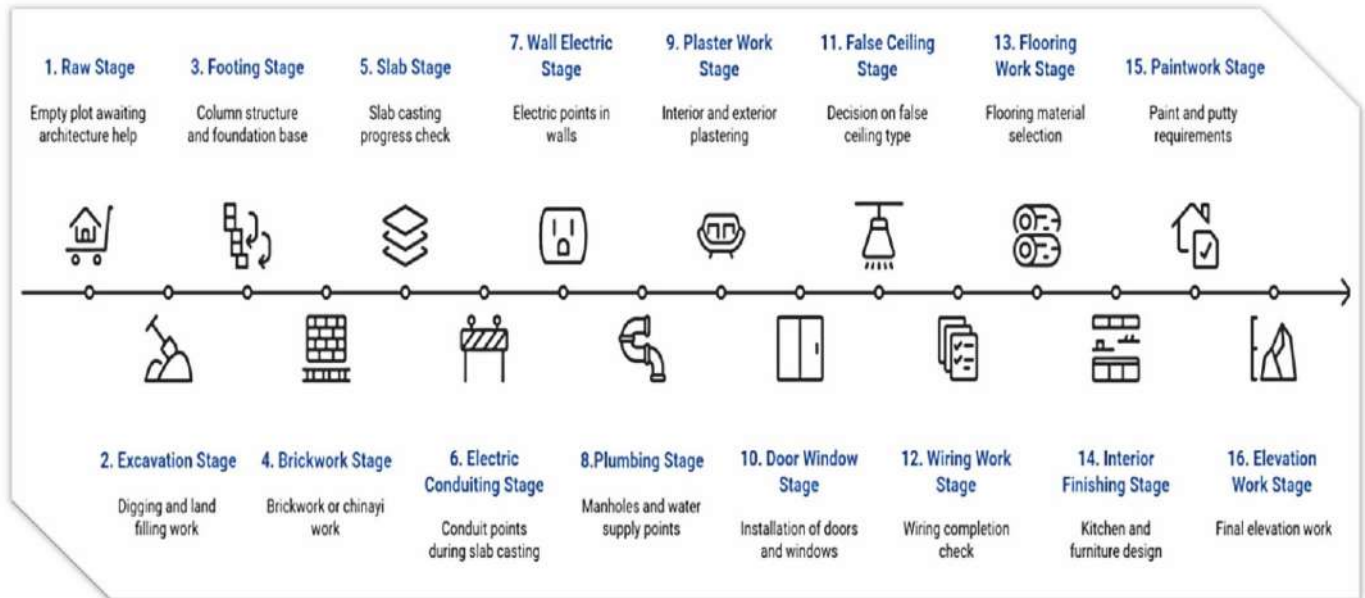

- Strategic Location

Easily accessible store with a strong community presence.

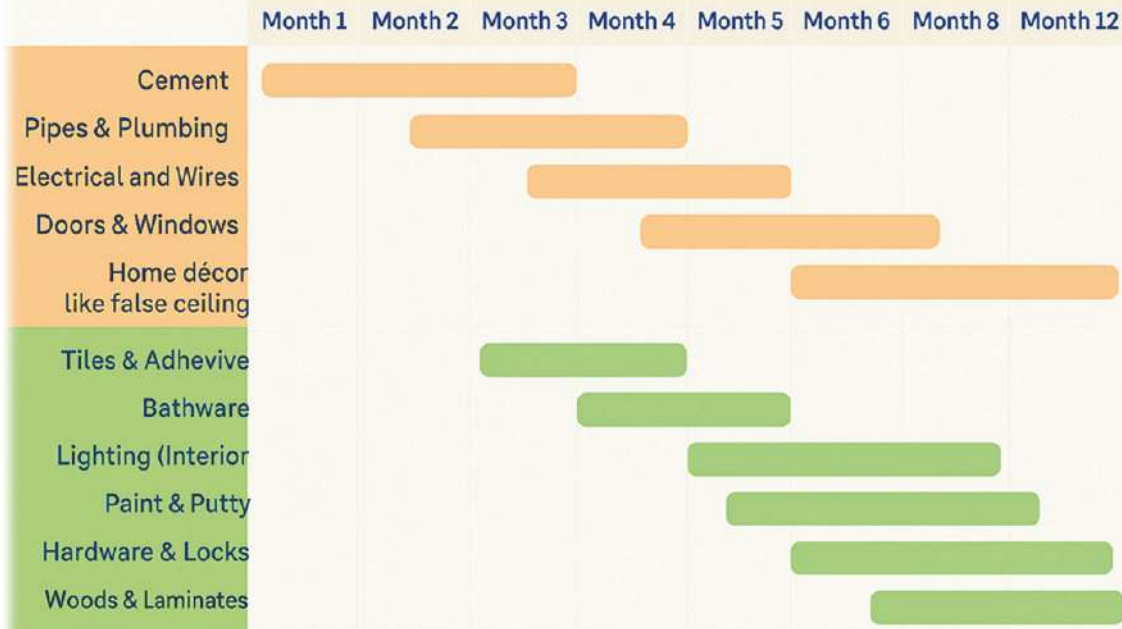

- Part of a Growing Ecosystem

Connected with Buildzo (e-commerce platform) and Nexfix (sealants & adhesives brand) for a complete material + digital + brand solution.
